

Mile Hi Golden Retriever Club

Breeder Referral List

Disclaimer: Mile Hi Golden Retriever Club (MHGRC) provides the Breeder Referral Program as a service to its members and to the public at large. MHGRC requires breeders to sign a contract saying they will abide by the GRCA Code of Ethics, but NEITHER MHGRC, NOR THE MHGRC BOARD OF DIRECTORS ARE TO BE HELD RESPONSIBLE FOR TOTAL ENFORCEMENT. It is the Prospective Puppy Buyer's responsibility to ensure that all paperwork regarding clearances and pedigree, contracts etc. are in order. MHGRC in no way warrants any contracts or agreements as these remain solely between the Breeder and Prospective Puppy Buyer. MHGRC CANNOT guarantee the quality or health of any puppy purchased as a result of a referral from its Breeder Referral Service.

Breeders list on our Club Breeder Referral list have met the requirements (completed volunteer hours, agreed to comply with the GRCA Code of Ethics, and paid the listing fee) and applied to use this as a marketing method. NOT all club members who happen to be breeders have chosen to be listed here but remain as members in good standing.
